Thanks Cami – We will continue to use this version for now. I have on my list to update it and the website if/when a comment letter gets sent.

I'm on a training for PARs and I apologize for bugging you but can you send me the current standard language just so I can review again? I can't view it on sharepoint and watch this training at the same time.

Hi, Matt. I was preparing to send the standard response to an email asking, "Have there been any updates for the announcement of the upcoming ROD and 404 permit? How long are the permits for Pebble good for? Thank you." Ex. 5 Deliberative Process (DP)
